## HOW CAN PUBLIC TRANSIT BETTER MEET YOUR TRAVEL NEEDS?

Napa County Transportation and Planning Agency (NCTPA) has been evaluating existing services, identifying travel patterns, and assessing future needs as part of a City of Napa Transit Study.

Join us at the upcoming public Open House to see how your input will help shape the draft concept service improvements. Staff will be available to discuss potential enhancements and gather your feedback. If you are unable to attend, stay connected to our efforts online at [www.napatransitstudy.com](http://www.napatransitstudy.com).

**Your input is critical in assisting the NCTPA develop a near- and long-term transit plan that better meets your needs.**

Do you need a ride to the Open House? Call (707) 251-2800 by April 8th to schedule your trip.
